Madam/Sir,

The form fill up of Correspondence course students appearing at AHSE 2020 have started on 25.11.19 through online mode as per schedule .In view of the above ,cooperation of the Principals and all concerned is highly solicited to make the process smooth , transparent and success.

But, it is a matter of regret that a few H.S. Schools are not co-operating the students with some pretext or other, which is highly objectionable.

As you are aware, as per decision taken by Govt. in S & ME Department in order to streamline and facilitate the Correspondence Course (C.C.) admission, the online admission of the C.C .students started in the session 2018-19. The student have opted the examination centres as per their choice and convenience where they can fill up their forms for appearing at AHSE 2020. List of the students opted your institution as Examination Centre have been sent to you which can be accessed by logging in your login-Id in SAMS portal.

You are therefore, requested to feel the importance of the matter, keeping in mind the larger interest of the students and instructions issued by the Government, extend your cooperation and ensure flawless filling up of forms of the C.C students as per guideline issued under reference. The C.C. students coming to your institution should not be dissuaded or harassed in any form.

This should be treated as most urgent.
